# Baptist Health

## FOUNDATION

### **Baptist Health Foundation Goals:**

Baptist Health Foundation raises money for all Baptist Health Facilities including our College of Nursing, Allied Health, and Parkway Village.

### **People give to the Foundation for many reasons:**

- ❖ **Belief** in the mission of Baptist Health and a desire to advance our work
- ❖ **Gratitude** for the **compassionate care** they, or a loved one, received at Baptist Health
- ❖ Giving as an **expression of their faith** and **sharing their blessings** with others
- ❖ The **good feeling** they receive from helping others
- ❖ A **personal interest** in a specific program, department, or cause
- ❖ As a **memorial** to a loved one, or in honor of a family member or friend
- ❖ The tax benefits received from the **charitable deductions** allowed by law

### **How You Can Help:**

As an employee, you have the power to change the lives of all who enter the walls of Baptist Health by designating a portion of your paycheck in increments to the programs that directly impact patients or assist other employees.

You can be a part of our healing ministry by supporting the Foundation in one the following areas:

- ❖ **Endowment** - general donations (undesignated fund)
- ❖ **GRACE Employee Fund** - assistance for employees that have experienced events that caused a financial hardship
- ❖ **The Baby Project** - helps keep parents close to their babies by providing a free room at The Inn at Baptist Health for families that live 50 miles or more away from Baptist Health – Little Rock.
- ❖ **Nursing Scholarships** - scholarships for students in nursing and allied health programs at Baptist Health College- Little Rock
- ❖ **Give Fresh** - provides fresh produce from the BHealthy Farmer's Market to families in high-need neighborhoods.
- ❖ **Healthy & Active Youth Program** - through the Health Management Center, participants are monitored by healthcare professionals for 10 weeks to learn about fitness, diet and general health. Teens are empowered not only in body, but in mind for healthy living too.

Your donations to the Foundation help us staff our hospitals with gifted nurses, sponsor wellness programs, initiate health drives, and promote better lifestyles. Since The Foundation was created in 1963, your generosity has brought in over 1,200 pieces of lifesaving equipment to Arkansas.

Your heart and giving is the very foundation for all that we do. Today, more than ever, your compassion is needed to help Baptist Health deliver a high standard of care across the State of Arkansas. Imagine what we can do with your help.
