### Share the Care

Your words are as important  
as your gift. Please share the  
Foundation’s mission of  
healing on social media using  
**#AmazingCare.**

Your gift makes possible the resources, services  
and life-changing programs that support the health of the  
entire state of Arkansas. If you would like a Foundation  
representative to discuss the program with you,  
please contact Amanda Smith at (501) 202-1576 or  
email [Amanda.Smith@baptist-health.org](mailto:Amanda.Smith@baptist-health.org).

DID YOU  
RECEIVE  
**#Amazing**  
Care?

GRATEFUL PATIENT  
PROGRAM

If someone made your visit to Baptist Health special, please consider honoring them.

As part of the Grateful Patient Program your honoree will receive a personalized certificate and lapel pin thanking them for the care, service and attention they gave. Comforts provided by Baptist Health, items of life-saving technology and community programs made available would not be possible without giving hearts like yours.

“People will forget what you said, they will forget what you did, but they will never forget how you made them feel.”

- Maya Angelou
