2024 AREA OF PURPOSE

BAPTIST HEALTH - HOT SPRING COUNTY

Baptist Health Medical Center-Hot Spring County is a community hospital with a long tradition of providing great patient care since it opened in 1923. The hospital joined Baptist Health in 2014. We have remained committed to providing quality, comprehensive care through emergency, cardiology, imaging, sleepy study, physical therapy, and psychiatric services. Additionally, we have received the American Heart Association's Get With The Guidelines Stroke Silver Award and been recognized as the Top 100 Hospitals by Fortune/IBM Watson Health.

Please support our efforts to strengthen our healing ministry's ability to give quality, compassionate care, and improve our patient-focused care areas.
