Baptist Health
FOUNDATION

2023 Events with Purpose

Events With Purpose! Proceeds from this year's events will provide resources needed to strengthen our Women's & Children's Health Services at Baptist Health. Your partnership and donations are needed to help improve the health and lives of Arkansans!

MATERNAL & NEWBORN CARE

Baptist Health is the leader in our state in taking care of women and babies during one of the most important health moments in their lives. We deliver 7,000 babies annually system wide, which is 30% more babies than any other hospital. Ironically, more than 30% of these mothers are on Medicaid or are uninsured. At Baptist Health it is a priority to give every Arkansan access to the highest level of healthcare, regardless of their ability to pay.

Our nurses and physicians are skilled in caring for high-risk pregnancies and deliveries. When babies are admitted to our Neonatal Intensive Care Unit (NICU), there may be many unknowns but there is one thing families can be sure of – our team of specialists will do everything possible to provide the best care to their babies.

Proceeds will be used to renovate and expand our maternal and newborn areas, including NICU, and strengthen our ability to care for more women and children in Arkansas.

2023 AREA OF PURPOSE WOMEN'S & CHILDREN'S HEALTH

BREAST CARE

1 in 8 women will be diagnosed with breast cancer in their lifetime. The good news is with early detection, breast cancer survival rates can increase by close to 100 percent. Baptist Health recognizes 1 in 8 can't wait, so we are here to serve you!

We proudly care for 40,000 women and their families annually at our Baptist Health Breast Center-Little Rock, including our High-Risk Breast & Hereditary Cancer Clinic. Our experts passionately provide comprehensive and lifesaving care for these women and their families. We focus on you by delivering innovative and preventative care with our breast imaging services and genetic counseling. And, if you do receive the life-changing news that you have cancer, our nurse navigation services will walk with you and guide you through your intense personal journey of breast cancer care.

Proceeds will support our strong team of specialists and the expansion and renovation needs of the Baptist Health Breast Center-Little Rock. Invest in lifesaving care, and let's fight ~~cancer~~ for Arkansans together!
